

# JEPPE COLLEGE

OF COMMERCE & COMPUTER STUDIES  
DOE REGISTRATION NO: 2008/FE07/38

## N3 TECHNICAL MATRIC

### 1.0 Programme Structure

1. N3 – Technical Matric  
National Certificate (SC) N3 Technical Matric  
SAQA ID: 15947  
NQF Level: 04

### 1.1 Purpose & Rationale of Qualification

This qualification is intended to provide learners with a general education to perform the tasks at this level, participate in life-long learning, be gainfully employed or self-employed in the world of work and enter Higher Education institutions. The Senior Certificate is an equivalent to the FETC National Senior or grade 12. Learners completing the Senior Certificate may not obtain automatic exemption to access university degree studies, but can however access all other further studies through the available articulation structures.

### 1.2 Exit Level Outcomes

On completion of this qualification the learner is expected to obtain access to Higher Education institutions, manage and organise developmental activities, interact and communicate effectively with others, participate responsible in the life of a community, evaluate information gathered through a process of observation, demonstrate understanding application of the range of knowledge and skills contemplated in the qualification as contained in the syllabi of the various instructional offerings.
